# Why Gemstones

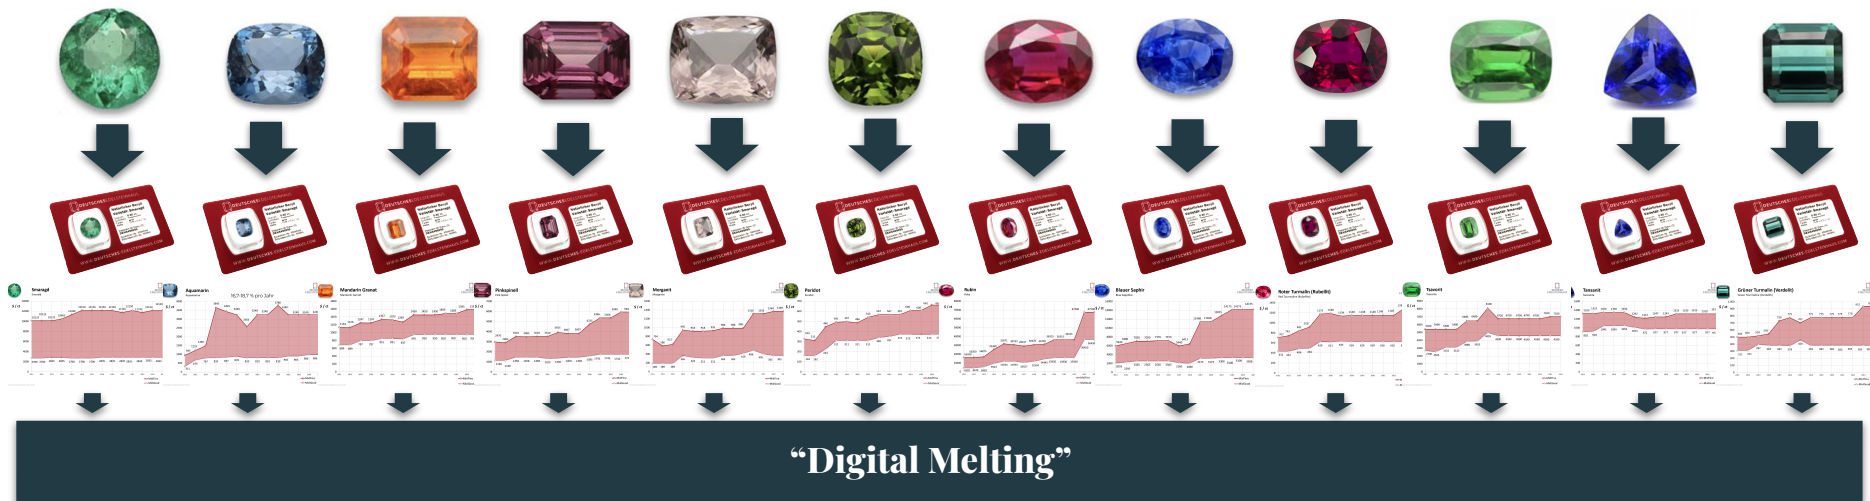

- low volatility
- uncorrelated
- never prohibited
- never went to zero
- app. 8% increase in value per year

**BUT: Every gemstone is **unique** like a fingerprint**  
**- and therefore **non-fungible****

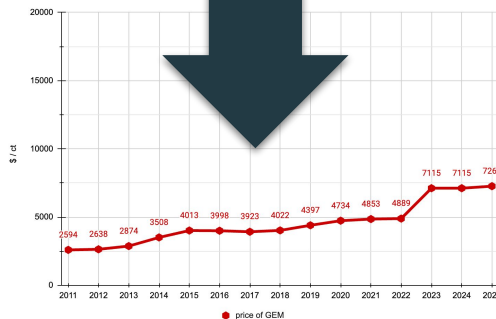

# The Creation of GEM DiCom

GEM DiCom builds on the actual price performance of 12 selected investment grade gemstones from 2011 - 2024  
Performance: app. 7-8% p.a.

Legal price disclaimer: Past performance is not a reliable indicator of future results. Gem prices fluctuate - you may lose part or all of your capital. This graphic is for information only and not an offer.
